### AGREEMENT

1. Contacting our members about NSFA membership and its benefits:

- We will submit a database of our members for NSFA to contact directly.
- We would prefer to contact our members. NSFA will provide a sample that can be distributed.

2. Distributing NSFA monthly member e-newsletters:

- We would prefer NSFA distribute the e-newsletter directly to our members. (State Affiliate organization will provide database to NSFA that will be used only once to invite members to sign up for the monthly member e-newsletter.)
- We are willing to distribute the e-newsletter to our members.

It is our understanding that the mission of the National School Foundation Association is to promote the organization, development and success of each K-12 school foundation and its respective partner school and school district. We attest that said stated mission does not present a conflict with the stated mission and underlying vision of our own organization.
